I understand I may request a re-interview with Mountain States Line Constructors (MSLCAT) after one year from the date of initial interview if I have gained at least 500 hours of work experience in the electrical construction industry, successfully completed Line School or obtained industry related certifications. Therefore, I am at this time respectfully requesting that MSLCAT consider the documentation I have submitted to determine if a re-interview is warranted.

Work Experience I have gained (must be after initial interview date):

Attached supporting documentation must include the following:
detailed on company letterhead
type(s) of work performed
number of hours for each type of work performed
date range

Line School I have completed (must be after initial interview date):

Attached supporting documentation must include graduation date

Industry Related Certifications I have completed (must be after initial interview date):

Attached supporting documentation may include:
OSHA
Rigger Signalman
Digger Derrick
Crane
Etc.

PLEASE NOTE:

My signature below indicates I fully understand that if I am granted a re-interview for my current application:

- my current score will stay on the ranking list until I have re-interviewed
- my re-interview score will replace my current score and will stay on the ranking list for 2 years
- once re-interviewed I am not eligible to reapply for 2 years
- I am not eligible to request another re-interview
